PROFILE

Motivated and detail-oriented 18-year-old with a strong passion for technology and problem-solving. Fluent in English with excellent communication skills, and a fast learner with a keen interest in computers, IT systems, and digital environments. Known for a strong work ethic, reliability, and the ability to adapt quickly to new tasks and tools. Eager to bring technical enthusiasm and dedication to a dynamic team like Taskforce in Bitola.

WORK EXPERIENCE

Crystal Clean

2021 - 2022

Web Developer / Marketing Agent

- Co-managed daily operations and digital presence of Crystal Clean, a cleaning services company.
- Designed, developed, and maintained the official website, ensuring optimal performance, mobile responsiveness, and user-friendly navigation.
- Created and implemented marketing strategies across digital platforms, increasing brand visibility and client engagement.
- Managed social media campaigns and SEO optimization to drive traffic and acquire new customers.
- Designed promotional content, graphics, and advertisements tailored to local markets.
- Handled client inquiries, service bookings, and customer relations through digital channels.
- Conducted performance analysis of online campaigns and adapted strategies to improve results.

Dreamcast Production

2022-2023

Junior Photo Editor / Video Editor

- Worked closely with senior editors and directors to ensure visual consistency and meet client expectations.
- Edited raw footage, synchronized audio, color graded video, and applied visual effects using industry-standard software.
- Met tight deadlines while maintaining strong attention to detail and creative standards.

Ekpa Co.

CURRENT

Self-Employed | Ongoing

- Independently tutor students in video editing, cinematic storytelling, and filmmaking techniques, tailored to beginner and intermediate levels.
- Develop structured lesson plans covering post-production workflows, editing theory, color grading, sound design, and visual storytelling.
- Work with a diverse range of clients both locally and internationally, delivering custom video content, consultations, and hands-on guidance.
- Manage client relationships, schedules, and deliverables with professionalism and consistency.

EDUCATION

Electrical Engineer of Electronics and Telecommunications.

"Ѓорѓи Наумов Техничко Училиште"

4 Year Study

2021 - 2025
